

Client Simulation — Evaluation Rubric

Criterion	Beginner (1)	Developing (2)	Proficient (3)
Discovery notes	Missing or ignores the call	Present but generic	Reflects specific details from the discovery call
Proposal accuracy	Doesn't match requirements	Mostly matches, some gaps	Fully matches discovery + requirements
Pricing & scope clarity	No clear scope boundary	Vague boundary	Clear, specific "included / not included" statement
Handling the revision	Ignored, or treated as scope creep incorrectly	Made the change but no reasoning documented	Made the change AND correctly explained why it wasn't scope creep
Communication tone	Unprofessional or overly casual/stiff	Adequate	Clear, warm, professional throughout
Handoff completeness	Missing instructions or features	Mostly complete	Fully complete, non-technical instructions included

Scoring: 6–9 Beginner · 10–14 Developing · 15–18 Proficient
