

Project Requirements Worksheet

Fill this out based on the inquiry email and discovery call.

Client: ____ *Project goal (one sentence):* ____

Must-have features: 1. ____ 2. ____ 3. ____

Nice-to-have (only if time allows): - ____

Constraints: - Budget: ____ - Tools allowed: ____ - Technical skill of client: ____ - Timeline: ____

Open questions I still have: ____

Filled Example — Fictional "Jordan R."

- **Client:** Career Compass Club (Priya Alvarez)
- **Goal:** A single simple page describing the club, upcoming events, and how to join.
- **Must-haves:** (1) About section (2) Events list (3) Interest/contact link
- **Nice-to-have:** A photo gallery from past events
- **Constraints:** Budget: \$0 (free tools only) · Tools: HTML/CSS + free hosting (GitHub/Vercel) · Client tech skill: low, needs simple plain-text edit instructions · Timeline: 2 weeks
- **Open questions:** How will Priya update the events list herself after handoff?
