

Worksheet — Client Simulation Tracker

Name: ____ Date: ____

Use this as your master tracker across all three sessions. Detailed documents for each stage live in [Simulation_Resources/](#).

Stage	Document to complete	Done?
1. Read the inquiry	Client_Inquiry_Email.md (read only)	☐
2. Discovery	Notes taken during the role-play call	☐
3. Requirements	Project_Requirements.md	☐
4. Proposal	Lesson 7 Proposal Template, filled out	☐
5. Pricing & Scope	Pricing_Scope_Worksheet.md	☐
6. Peer review	One piece of feedback given, one received	☐
7. Client response	Read Client_Feedback.md + Revision_Request.md	☐
8. Revision	Documented what changed and why	☐
9. Handoff	Final_Handoff_Checklist.md complete	☐
10. Reflection	Reflection_Worksheet.md complete	☐

Discovery Call Notes (fill during the role-play)

- Client's actual goal: ____
- Who will use this: ____
- Must-haves: ____
- Nice-to-haves (not required): ____
- Timeline mentioned: ____
- Anything unclear I should ask about: ____

Quick Self-Check Before Submitting

- ☐ My proposal reflects what I actually heard in discovery, not just the first inquiry email
- ☐ My price and scope match my [Pricing_Scope_Worksheet](#)
- ☐ My revision stayed inside the original scope (or I clearly flagged that it didn't)

- ☐ My handoff message is professional and includes clear next steps
