

Course 18 — Professional Presence & Opportunity Building

Ages: 15–18 · **Lessons:** 8 · **Format:** Live, instructor-led

Purpose

Students build reputation and communicate professionally, using LinkedIn where age-eligible (16+, subject to local law/consent requirements — verify current policy) and an equally credible portfolio-first alternative where not. Students below the applicable age do not need to create a LinkedIn account.

Tools

LinkedIn (where age-eligible), Canva, Google Docs, content-planning tools.

Final Deliverables

- A professional profile / presence
- 5 pieces of professional content
- A networking plan
- A 90-day growth plan

Lesson Sequence

1. Your Professional Presence
2. Build Your Professional Profile
3. Showcase Your Work
4. Share What You Know
5. Build a Professional Presence Beyond LinkedIn
6. Networking and Professional Communication
7. Build Your 90-Day Opportunity Plan
8. Measure, Reflect, and Improve

Why It Matters

A portfolio and a finished project only get discovered if someone is looking. Consistent, honest, credible visibility compounds over time — turning one finished project into an ongoing stream of opportunities.
